Hayden Lake (Girls Only) Lake Cabin Party for 8 Gals

Value: \$1,000

Hey girls, grab all your gal friends and head out to Hayden Lake for a great time. Here's your chance to let your hair down and have a blast! Be one of up to 8 ladies to join Lori Nicol for an all-girl fun weekend of games and relaxation at her rustic, cheery cabin overlooking picturesque Hayden Lake! Dinner and breakfast on the deck are included. Go boating or soak up the sun on the dock! Bid on one or more spots until all 8 are full. Date selection by mutual agreement.

Donated by Lori Nicol

Rooftop Garden Dinner Party for 15
Catered by the Glover Mansion
Value \$850

Hidden away on the roof of the historic Durkin-Ulrich building, home to Rick Singer Photography, is an amazing flower, herb and vegetable garden in the heart of downtown Spokane! Enjoy a professionally catered dinner for 15 with your choice of meal from the Glover Mansion's menu. Dinner includes fine wines and dessert. Check out the greenhouse and the exotic passionflower covered

arches on the roof then tour the 1910-era hotel on the upper floors, untouched since the turn of the century. The building was once the site of Jimmy Durkin's saloon, known and respected as a "gentleman's bar". Date selection by mutual agreement, usually the month of August is glorious!

Week on the Olympic Peninsula - Discovery Bay
Ocean Side Cabin near Port Townsend
Value: \$1,000

Spend a week relaxing and letting your cares slip away at this comfortable seaside cabin owned by Carolyn and Dave Myers on the scenic and lush Olympic Peninsula. You will have lots of time to curl up with a good book, take trips into nearby historic Port Townsend to explore the town's Victorian architecture, shop for antiques or try out area restaurants. Amenities include a fully equipped kitchen, a king size bed, single hide-a-bed, outside deck and use of a small rowboat. Week arranged by mutual agreement.

Donated by Carolyn & Dave Myers

Bridal Suite at the E.J. Roberts Mansion & James LaVigne Print “Spokane Grandfather”

Value \$450

You'll be greeted with tea and fresh baked scones to start your overnight stay in the exquisite Bridal Suite at the opulent E.J. Roberts Queen Anne Victorian mansion in Browne's Addition. Appointed with fine antiques, hand silk-screened wallpapers, exquisite fabrics and the original stained glass windows, the suite was featured on the cover of Victorian Homes Magazine. Wake up to a multiple course homemade breakfast in the gorgeous dining room. You'll think you're in heaven!

Included in the package is a dynamic framed print by James LaVigne titled “Spokane Grandfather” which features the images of the mansion along with a montage of 133 people, landmarks and items of interest in early Spokane. A wonderful tribute to the mansion and its importance in early Spokane history.

Custom Made House Address Numbers on Plaque

Value \$400

Select from a multitude of custom materials including wood, brass, steel or aluminum in a style that will complement your home's design. Confer with professional sign fabricator David Tanner on design and finishes to choose from. Your choice of type font style, pick Arts & Crafts, Deco, & Traditional, etc. Good for up to four characters. 6" x 14" maximum size. Will come ready to attach to your home and he can work with you to accommodate special installation if needed or more characters for an additional fee.

Donated by David Tanner, L&L Architectural Sign, Inc. See more of David's work at: www.LLsign.com

"Google Earth" 3D Building Model of Your Home or Business

Value \$400

Receive a three-dimensional exterior model of your local home or business, done in Google's SketchUp software. The model will be visible in "Google Earth" and can be used in SketchUp (free). This also includes a Google web-hosted detail page for model info/links/sharing with your friends and family. Must be in the greater Spokane/Coer d' Alene area.

Modeler needs access to photograph all sides of house or building. Unless plans are available, the model is 'scaled' to proper size/dimension. Will not be to exact scale but extremely close.
